Smart Office Management Solutions

Smart Access & Visitor Control

Office Edition

Secure, efficient and seamless visitor management for modern workplaces.

Pre-approved guest entry

Visitors are pre-registered and approved before arrival for a smooth entry experience.

QR code visitor passes

Generate secure QR passes for contactless and hassle-free visitor entry.

Lobby check-in automation

Self check-in kiosks automate the visitor check-in process and reduce manual work.

NDA acknowledgement before entry

Visitors acknowledge NDA and company policies digitally before entering.

Reception dashboard

Real-time overview of all visitors with approvals, check-ins and live status.

**Secure Every Entry.
Build a Safer Workplace.**
